The playoff hunt

The Eagles are thick in the hunt for a 6A playoff spot. Prosper currently sits fourth in district with two games left. Tuesday night senior Josh Davis stepped things up with 21 points, 3 rebounds, 3 assists and 4 steals on the road at Plano Senior to lead the team to a 55-46 win. Sophomore Grant Shaw added 10 points/3 assists/4 steals. The Eagles were losing 33-32 to start the fourth period but outscored Plano by 10 down the stretch. The two games left for Prosper are on the road this Friday at McKinney, and senior night next Tuesday versus Plano East. We have 7 seniors in the program we will be honoring before the game next week.

At McKinney Friday night at 7:30.

Friday night will see a rematch of a very entertaining game played back on January 15th here at Prosper. The Eagles travel to McKinney needing a win to stay ahead of the Lions in the playoff chase. The Lions are lead by #10 senior Byron Schoby who is a high volume scorer adept at hitting 3's and driving to the basket. Schoby had one of his best games of the year against us but the Eagles pulled out the win with four double digit scorers in a 75-72 Prosper victory.

Congrats to the Playoff Bound Lady Eagles

The boys team would like to congratulate the Lady Eagles as they wrapped up their district play this week with an OT win over Plano. Senior Jordyn Oliver hit the game winning free throw to win in dramatic fashion in her final game in the PHS arena.

The ladies finished tied for second in district play and will start the playoffs next week versus Rowlet.
